Redemptorist High School

Volume XXXII

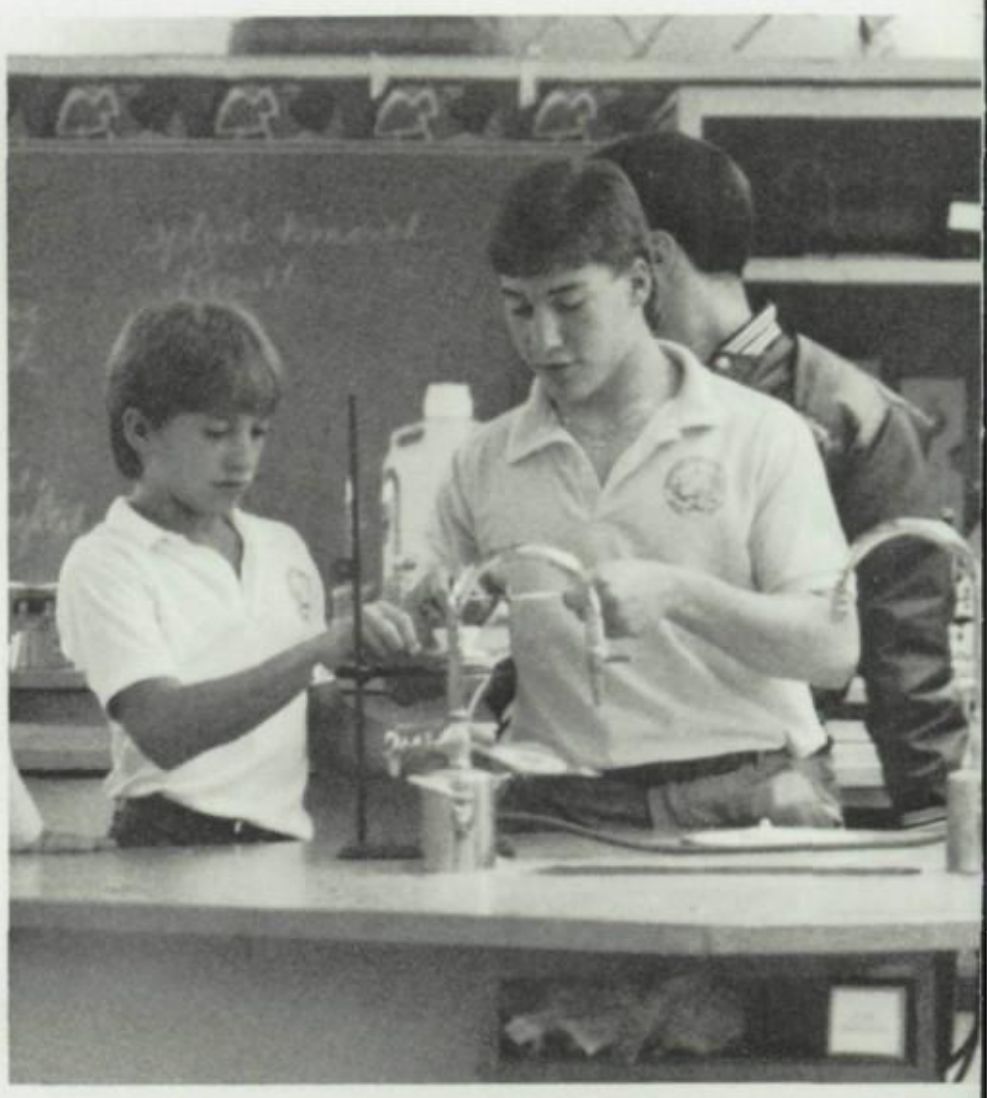
Shared Strength

"A house is as strong as its foundation." Redemptorist High School's staff, faculty, and student body have proven this adage by uniting strengths to build a better school.

We have used our Christian principals and our Christian love as the foundation. With Christ as our model, we have lit our candle for all to see; our candle has not been hidden under a bushel basket.

The results of our combined strengths are manifested in our achievements and victories. This school year of 1986-87 has been marked by our school excelling in academics, sports and organizational works. We are recognized as leaders by others in our community.

It is through this shared effort that our students are able to leave our beloved Alma Mater, ready to take our places as strong, loyal Christian citizens wherever destiny may lead us.



SENIORS

The Seniors are the leaders of their school. They are the veterans of the student activities and have an inner-strength as well as a shared strength that enables them to reach their goals. The privileges and burdens of leadership, the security of senority, the strength of loving acceptance, and the hopeful promise of a dawning future — this is what is meant by being a senior.

FACULTY

The faculty of RHS is a special group of caring, loving people. They have shared themselves with the students and helped the students through many trials. They stand beside the students, not only along the spiritual path, but the path to adulthood. They have given their strength, not only in the classrooms, but in the many activities, sports, and events that they share with the students.

STUDENT LIFE

The many activities throughout the year exemplify the shared strength of the students at RHS. In order for the students to work together and attain their goals, they must rely on their own strength as well as the strength of their fellow students. The students are the force behind our school. The uniqueness of the RHS students and their contributions to the school make them very special.

ORIENTATION

Orientation Day is one of excitement especially for freshmen who are experiencing their first taste of Redemptorist High School. The day began with a gathering of students in the gym where they were addressed by Mr. Fabre. Afterwards the sophomores, junirs, and seniors proceeded to all of their classes which only lasted ten minutes each.

For the freshman, the day was much busier. They also began their day in the gym, but they were greeted by Student Council and faculty members who gave groups a tour of the campus. Then freshmen attended their first class where they reviewed the school handbook. Next, they shuffled in and out of their classes and became rapidly acquainted with high school.

SPIRIT DAYS

Every Friday during the football season, the RHS students joined together to cheer on the mighty Wolfpack as they let their spirit shine through. The cheerleaders designated each Friday as a particular spirit day, and the students appropriately decorated their ordinary uniforms to transform the campus into a different, exciting scene each week. Some of the more popular themes included Go Hawaiian, Baby Day, Punk Day, Mash Day, and Fifties Day. Spirit tags were sold each Friday for which one lucky buyer received a cash reward. The spirit days were a hugh success. The days were fun for the students, and the strong support shown for our team resulted in a super winning season for the Wolves.

HOMECOMING SPIRIT

Homecoming 1986 was one of the most successful events this year. The campus was alive with spirit. After homeroom everyone attended Mass in the gym. The seniors were victorious in the volleyball games that followed Mass. Mrs. Beatty's Homeroom 5 won the door decoration contest, and Mr. Stevens' Homeroom 205 won the float decoration contest.

At lunch, the eighth graders from the Junior High came to spend the rest of the day as guests of the Seniors. The visitors ate lunch, watched the parade, and enjoyed the outdoor pep rally.

HOMECOMING . . . 1986

On Saturday night the Homecoming dance was held at the Catholic Life Center. The theme was "Back In Time." The entrance resembled a time tunnel. After everyone walked through this colorful tunnel, they traveled back into the '50's and '60's. One of the scenes for taking pictures was composed of James Dean and Marilyn Monroe posters, a restaurant booth, and chocolate malts with long straws. The homecoming court was presented. Members of the court presented their mothers with a rose during the ceremony. After the presentation of the court, many parents were in tears because they were so proud of their sons and daughters. The students enjoyed dancing to a sound system, after the presentation.

'86 EMERALD ARRIVES

The arrival of the yearbook is a day eagerly awaited by not only the yearbook staff but the entire school community. The '86 Emerald arrived in mid-September. The word that the book had arrived was soon all over the campus and students wanted it immediately. However, sorting the more than 600 books into homerooms for distribution is a task that takes many hours of staff time. After a couple of days, the books were ready to be handed out. Students anxiously thumbed through the pages looking for pictures and recalling memories of the past year that were captured in the pages of the Emerald.

CHRISTMAS DANCE

The Christmas Dance, which was held on December 20, 1986, in St. John Neuman Center, was a new project sponsored by the Senior Club. Santa Claus was on the scene to take pictures with the RHS students who attended the dance. The seniors were honored before the dance with a buffet dinner. This year's Christmas Dance provided RHS students with the opportunity to gather together and have Christmas fun in an informal holiday atmosphere.

FALL FESTIVAL

The Redemptorist Octoberfest was held on October 18 and 19, 1986. The St. John Newman Activity Center was filled with many different booths, games, and other fun-raising activities. The big raffle brought in the most money. One of the most popular booths for the younger children was the duck pond. The baseball throw proved to be a challenge to many young men who tried their skill at knocking down pins. Sunday's activities were highlighted with a barbecue dinner. The Redemptorist students, with the help of staff, faculty, and volunteer parents, devoted hours to the fair by organizing their "shared strength" and overseeing the operation of the various festivities of Octoberfest '86.

HUG WEEK

A unique way the students at RHS share strength with each other is through hug week. This year the entire student body celebrated a fun-filled week of hugging with hug balloons, hug coupons, and hug buttons. The week began with the seniors learning various types of hugs. Then they spread the hugging to the underclassmen through special days. Students bought heart-shaped hug balloons to send to their special friends and teachers. Hug week was a special week in which students and faculty shared their strength and love with each other.

CHAPEL DEDICATION

The dream of a permanent chapel on campus became a reality with the dedication of St. John Neumann Chapel on April 7, 1987. Bishop Stanley Ott presided along with Father Joe Pellettieri and Father Richard Stump. The dream was made possible by the members of KC Council 3331 who not only gave financial aid but many man hours of work to convert Room 2 into the chapel. Furnishings for the chapel were donated by St. Gerard and St. Alphonsus parishes. Artist Allen Crochet donated wooden handcarved Stations of the Cross and the sign outside the chapel. The entire student body along with many parents and friends of Redemptorist took part in the dedication cereomonies. Father Stump celebrated the first Mass in the chapel with the faculty on April 29, 1987.

Members of the student body along with many parents join in singing "City of God" to open the dedication ceremony.

SENIOR RETREAT

This year the Senior Retreat was as meaningful as ever. On December 1, 2, and 3, the seniors were divided into groups and traveled to four retreat houses. One group went to Mount Carmel where their leaders were Father Pelletteri and Father Gyan. Another group journeyed to Holy Redeemer, where they were led by Father Kerner and Father Quinn. Regina Coeli was another retreat house and Father Moran was the leader there. Others traveled to Magnificant Center where Fathers Moroney and Baum led the seniors. This retreat was designed to bring the seniors closer together while making them aware of their individuality. The retreat also made seniors more appreciative of their families and friends. The seniors owe a lot to Mrs. Rizan and all those who worked with her to make the '86 retreat such a memorable one.

TWIRP DANCE '87

Twirp Week, 1987, which was held February 9-14, was wild and wacky this year, as usual. The theme was "RHS, This Week's for You!" Various activities were held in order to spur the students into the spirit of Twirp. The sophomores won the ice cream eating contest, and the seniors won the scavenger hunt. Hush heart days were popular with Mia Lamonte winning Miss Irresistable and Paul Quinn, Mr. Irresistable. The perfect ending to the perfect week was the twirp dance held on Saturday, February 14 at the Catholic Life Center with "The Wonderful World of Disney" as the theme. Selected as King Red was Gary Prochaska, and the members of his court were Mike Sorrells, Blaine D'Armond, Guy Mistretta, Calvin Dees, Ty Harris, Scott Ginn, Lance Landry, Mike Coullard, and Denny St. Romain.

A Disneyworld theme was used at the dance.

Michelle Rizan, Miss RHS of '86; Terri Porche; Johnette Gottschalck; Wolfettes; and other talented people entertained the crowd as the judges pondered over the winners. The finalists were Toni Forcha, 4th runner-up; Stacie Tircuit, 3rd runner-up; Shannon Sullivan, 2nd runner-up; and Stephie LaLonde, 1st runner-up. Brandi Foulks was crowned Miss RHS.

The Advanced American History Class, with chaperones Mr. Bumm, Mr. and Mrs. Laird, and Ms. Beatty, enjoyed a ten day trip to New York City, Washington D.C., and Philadelphia. The class drove for two entire days to New York City. In New York they saw the Statue of Liberty, the Cathedral of St. John the Divine, the Hard Rock Café, and saw the play "Cats". One day was spent in Philadelphia. They saw such sights as the Liberty Bell, Independence Hall, Christ Church, Betsy Ross's home, and the U.S. Mint. In Washington D.C. the class visited many famous attractions, such as the Smithsonian; the Capital; the National Monument; the Cathedral of the Immaculate Conception; Georgetown University; Mount Vernon; and they saw the play, "HMS Pinafore". Jamestown, Williamsburg, and the Biltmore House in Ashville, N.C., were the stops visited on the way home.

JUNIOR-SENIOR PROM

This year's Junior-Senior Prom which was held on March 28, 1987, was different from other proms. Instead of the usual location of the Catholic Life Center, it was held at Stage One, thanks largely to Mrs. Fran Frost, the Prom coordinator. The theme for the night was "Always and Forever." Even though the location was different, the setting was as beautiful as ever. Big blue balloons and silver stars hanging from the ceiling dominated the decorations. The change in setting and atmosphere greatly accounted for one of the largest crowds at a school dance in recent years. Thanks to the "shared strength" of the Juniors and Mrs. Frost, this year's prom will be remembered "Always and Forever."

JUNIOR RETREAT

The Juniors of 1987 made great strides on their retreat toward equaling the magical togetherness of the seniors. On their retreat, they discussed the many problems that young people face in today's society. They reflected on the many blessings which have been bestowed upon them by both God and their parents, and they were able to spend some time alone to reflect on their lives and to evaluate their faith. The juniors were also given the opportunity to enhance their relationship with the teachers and priests who served as retreat leaders. The juniors will be better people because of their retreat, and they are learning that "shared strength" is more powerful than individual strength.

CATHOLIC SCHOOLS WEEK & SCHOOL MASSES

Thanks to Mrs. Rizan and the Religion Department Catholic Schools Week was a great success. The theme was "Catholic Schools Touch the Future." Many activities took place. Students wrote notes thanking their parents and teachers for touching their own future. There was a poster contest and outstanding students were featured on posters outside the main office. The week closed with a beautiful liturgy that was attended by many parents.

SENIOR PLAY

Our Miss Brooks was the play performed by the Senior Class of 1987. The directors, crew, and cast worked very hard to get ready for opening night at Our Lady of Mercy auditorium. Many late nights were spent perfecting and polishing lines for the performances. Mrs. Dell Rabalais and Mrs. Mary Ann Ledbetter were the capable directors. Because of everyone's shared strength, *Our Miss Brooks* was a tremendous success. Members of the cast were Terri Porche, Becky McClean, Vikki Williams, Mike Miceli, Byron Worrell, John Hadley, Rhonda Causey, Kay Baham, Andi Lamana, Missy Landry, Wendi Dixon, Lisa Edwards, Donna Guillory, Joanie Brocato, Drew Perez, Jonathan Babin, and Julie Messina.

RING DAY

May 15, 1987, was a very special and memorable day for the Senior Class of 1988. It began with a spiritual retreat and ended with a special celebration at Mass. The climax of the evening was the receiving of the rings. It was a moment anticipated by each and everyone of the seniors-to-be. The ring is not just a piece of jewelry to be admired. It is a symbol of growth and maturation through eleven years of hard work. The theme of the celebration was "A Never Ending Circle of Friendship." Their senior rings truly represent this theme. Songs such as "Beginning Today" and "Rainbow" were reminders throughout Mass that this was a new beginning for them. It was the dawn of their senior year. After the ceremony in church, the juniors were honored with a reception by the sophomore class on the school grounds.

GRADUATION

We, the Class of '87
Searched within ourselves
And found love.
Although our yesterdays are gone
And our tomorrows are uncertain,
We have given to each other
An everlasting gift.
Through laughter and tears,
We have ignited
A flame of burning love,
A love so precious, unique, and rare
That distance cannot divide
And separation will not diminish.
Like a candle shinning brightly,
The love that we have shared
Will forever burn
If only in our hearts.

ORGANIZATIONS

RHS has an organization for everyone. Organizations give strength to individual members who in turn give their strength and support to the school. Active members spend much time and effort working to better not only themselves but the entire school community. The groups share a togetherness by working with each other to achieve a successful year.

BETA CLUB

The Beta Club had a very active and successful year. Several fund raisers were held during the year and money was donated to St. Jude's Children's Fund. Stephie LaLonde presided over a session at the State Convention in her capacity as State Secretary and Sheila Savell was elected new State Secretary. There were several winners at convention: Dwayne Bourgoyne placed 2nd in the T. H. Harris Scholarship, Becky McClean placed 3rd in English, and Sheila's campaign booth won 1st place.

The varsity squad began working in May to prepare for competition at NCA camp. The practice paid off as the squad won superior ribbons for each of its three evaluations and was also selected as a finalist in the competition for the Award of Excellence. The squad also won a spirit award and Renee Dugas was a finalist for All-American Cheerleader. Other activities included hosting a clinic, pep rallies, homecoming festivities, bonfire, and cheering at football and varsity basketball games.

WOLFETTES

The Wolfettes had an outstanding year. They entertained the fans at football and basketball games, and they even danced in the Superdome! The squad performed in New Orleans at a Saints-Patriots game where they entertained with some jazzy routines. During the summer, the girls attended an American All-Star camp where they received trophies for their spirit and routine. Stephie LaLonde, Kelly Coullard, and Julie Jackson were invited to perform at the Superbowl game in Pasadena, California.

SPORTS

Athletics at RHS provide each participant with an opportunity to share his abilities and talents with others through team play. Sports also teach valuable lessons that can be reflected upon throughout life. Through the shared strength and superior leadership and guidance of the coaches and the support of the student body and administration, the teams strive for a common goal — success for RHS.

BOYS' BASKETBALL

The 1986-87 season for the boys' basketball team was a transition year. The team got off to a bright start under the new Head Coach Chris Porche, however, after winning the first three games the Wolves dropped six in a row. The team fell one game short of finishing pre-district at .500 with a five point loss to Quad-A-State Champions Broadmoor in the finals of the Central Tournament. In district play, the team had a struggle, losing the first three games at home before going on a six game road trip. The Wolves finished 3 - 6 district play.

This defeat kept the Ladies from advancing to the Sweet 16, a feat they had accomplished in 4 out of the last 5 years. The team finished 2nd in District. With 28 wins and 7 losses, the Lady Wolves won the Lacassine Tourney for the 3rd straight year and the RHS Classic for the 6th time in 6 years. Several individual honors were bestowed on team members. Janine Dietrich, Shannon Gridley, and Tamie Sumner were selected to the 6AAA All District Team. FOOTBALL

SCOREBOARD

The verdict reached on the 1986 football season declared it a huge success. This squad's 7-4 record completed an "about face" turnaround from last year's disastrous 2-8 campaign. The Wolves were 4-2 in district play and finished second behind perennial power Zachary. They were paired with Northshore of Slidell in the first round of the playoffs. The unfriendly guests invaded Majella Field and came away with a 24-6 victory, ending the season for the Wolves. Before this season, the last playoff game at Majella Field had been in 1972, when Redemptorist lost to Destrehan. Despite the loss to Northshore, the season surpassed everyone's expectations.

The Wolves opened the season with a 12-10 come-from-behind victory over archrival Central, and that "Never Say Die" attitude symbolized the spirit of the entire team as six of its seven victories came after they were trailing at some point in the game.

The Wolves opened the season by hosting the first RHS Invitational. Upon winning this tournament, they won their first tournament title in five years. After having a slow period, the wrestlers came on strong at the end of the season, placing third in both the city and regional meets. Four wrestlers won city titles: ney Cabellero, Larry Carter, Guy Mistretta, and Scott Ginn. Larry and Guy also won regional titles. The Wolves had their second best effort in the state meet when they placed sixth. It was the first time RHS had two state champs in the same year as both Larry and Guy won titles.

EDITOR'S NOTE

Being the editor of the 1987 Emerald has been very rewarding. The long hours and hard work payed off as I was able to witness the formation of the yearbook.

I would like to give a special thanks to Mrs. Betty Jackson our moderator, and to the members of the staff who helped me throughout the year. Gratitude is also extended to Mrs. Fran Frost, who helped during the year and into the summer, and to Mrs. Bernadette Day and her creative writing class, who wrote many of the articles.

I have given my utmost effort to make this yearbook the best it could be. I hope this yearbook holds many joyous memories so that in future years you will be able to look back over the treasures in 1987 that we shared.

SPONSORS

Each year the entire student body of RHS cooperates in selling ads to support the Emerald. Although they encounter many rejections, their determination results in Louisiana's largest high school yearbook. Through the students' common effort and the support of our sponsors, the staff is able to publish a memory book of students, faculty, friends, and good times shared together in the 1986-87 school year.

HOMEROOM 107

My precious daughter-RHONDA DALE CAUSEY,

I admire your courage and your ability to pick up the pieces and start over again. You have been through some really bad times, but have learned that from pain and grief, growth occurs. I have watched you grow into a beautiful young lady - so caring and sensitive to the needs of others. I am so proud of you! I only hope that you know how much I love you.

Mama

Of all my wishes only one has come true,
The wonderful wish of being loved by
you.
You've shown me happiness far beyond
end.
Since we've become more than just
friends.
When I'm with you my spirit soars,

With each passing day, I love you more.
When I gaze into your eyes and see them
glisten,
I sit quiet and just let my heart listen.
Cause sometimes your look is all it takes,
To make my heart flutter and my hands
shake.

Good Luck Darren!

Love,
Mom, Dad,
Blaine, &
Casey

Bad Breath? Gum Problems?
Floss Frustration?

Mopfloss®

An Effective Way to Floss

The embroidery thread technique has gradually evolved into "Mop" flossing because the term "mop" has been used so many times to describe how the elongated cotton fibers "fill" the interdental spaces. Mopflossing feels like a mop and it is this simple concept that makes it an effective flossing method. The technique has become so popular in recent years that patients are demanding a prepackaged product.

The Mopfloss technique was originated because conventional flossing left a lot to be desired. Many patients that found unwaxed floss uncomfortable and often traumatic were pleased with Mopfloss because it made their mouths feel clean or it stopped gingival bleeding or it was more comfortable to use. But its popularity with dentists has been in its effectiveness in helping to improve interdental health.

Like *Redemptorist High*, *WYNK* and our audience is somewhat of a community- a very large, responsive community. *One* ad on WYNK 101.5 FM reaches more adults than those in your football stadium on a Friday night in September- ten times over! Just a few ads on WYNK FM reaches the equivalent of a packed Tiger Stadium!

MASSES: Saturday — 5:00 p.m. (This fulfills the Sunday obligation.)
Sunday — 7:30 a.m. & 10:00 a.m.
BAPTISMS are held on the third Sunday of each month. Before sponsors are selected, the parents must call Father for an appointment. After all has been cleared, the parents and godparents will receive baptismal instructions.
SACRAMENT OF RECONCILIATION (confession): Saturday, 4:00-4:45 p.m., and by appointment.
SACRAMENT OF MARRIAGE: A couple desiring to be married is expected to consult the priest at least four months prior to the proposed date of their wedding. The interval allows sufficient time to carry out the various steps of the marriage preparation program. The diocese recommends that no date for the wedding be set until after the pre-Cana conference or the engaged encounter has been attended.
C.C.D. INSTRUCTIONS: 9:00-10:00 a.m. each Sunday during the school year.

Dear Joey,

Thank you for all the wonderful memories. Always remember you have to believe to achieve.

From your parents you learn love and laughter and how to put one foot before the other. But when books are opened you discover that you have wings.

A child becomes an adult when he realizes he has a right not only to be right but also to be wrong.

Enjoy the little things, for one day you may look back and realize they were big things.

What we are is God's gift to us. What we become is our gift to God.

May God bless you and watch over you always.

We Love You!
